WALLMOUNT

## Safety and optimal functionality

The Predia Wallmount is VESA compatible. The Predia Wallmount can be used for wall mounting or as special on existing height adjustments. The brackets are supplied with mounting material to mount the screen to the bracket.

### Quick and easy mounting

The Predia Wallmount is easy to mount thanks to a limited number of parts and a smart design.

### Secure mounting

Through locking on the bracket.

### Universally applicable

The bracket can be applied to different screens thanks to a flexible VESA mount and a high load-bearing capacity.
